To request information under the provisions of the Act, and to help us to help you in identifying the precise information you require please email or write to the Parish Clerk.

Please be sure to include your name and valid postal address, as required under the Act, and a clear description of the information you are seeking. When making a request you can state a preference of how you want the information communicated to you. This could be by providing a hard copy, or an electronic copy of the information, providing you an opportunity to inspect a record containing the information or providing a digest or summary of the information. We will try to meet your preference as far as is reasonably practical, or notify you if we cannot do so.

RESPONDING TO YOUR REQUEST:

We will inform you in writing whether we hold the information you have requested and if so, provide it to you not later than 20 working days after we receive the request.

The Freedom of Information Act does identify a number of categories of information which the Parish Council is not required to disclose under the Act. In this case, we will write to you stating the exemption which provides the basis for refusal within the Act and why it applies to the information you requested. We will communicate this to you within the 20 working day time period.

CHARGES:

Charges which may be made for information published under this scheme:

- The purpose of this scheme is to make the maximum amount of information readily available at minimum inconvenience and cost to the public. Charges made by the Parish Council for routinely published material will be justified and transparent and kept to a minimum.

- Charges may be made for information subject to a charging regime specified by Parliament.

 - costs directly incurred as a result of viewing information (for example hiring Plungar Village Hall)

Should you need to pay a fee for disbursements or because the costs exceed the appropriate limit, the Parish Council will write to you advising you of the fee required within 20 working days of receipt of your request. This is known as a 'Fees Notice'. When you are issued the Fees Notice, the 20 working day limit for responding stops, and then will start again when we receive payment. If we do not receive the fee from you within three months we are not obliged to comply with the request.

- The Freedom of Information Act does permit the Parish Council to refuse your request if the Parish Council estimate that it will cost in excess of the appropriate cost limit (currently £450) to fulfil your request.
